

## A Quick Update on the Old Dalton Road Project

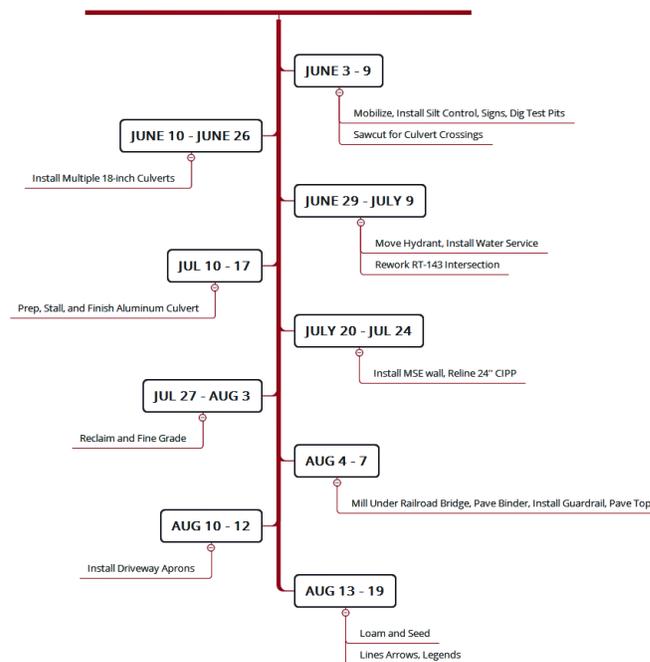

June 3, 2020

Hi Everyone:

Early this morning, the engineer from Foresight Land Services, the construction foreman and project manager from Warner Brothers (WB), and representatives from Town met to discuss the Old Dalton Road project. WB provided a work schedule (below), so you can see the work planned and the milestones ahead.

WB will begin posting signs and marking the road today. Soon after, they will saw-cut the roadway and start replacing the smaller 18-inch culverts, testing soil, and then begin replacing culverts. They will be working rain or shine, but terrible weather and thunderstorms can slow things down.

### OLD DALTON ROAD RECONSTRUCTION SCHEDULE

#### Please Note:

**Old Dalton Road will be closed to thru traffic between 7:00 and 3:30, Monday through Friday.**

After hours, the road will be passable. If you do not need to use Old Dalton Road, we urge you to go through the center of Town and avoiding Old Dalton Road until the work is complete.

**Local traffic will be routed in one direction or the other as needed.** The contractor and the Town will work with the residents and businesses to keep them informed as much as possible.

Old Dalton Road and Watson Road Residents – signs will be posted to direct your travel based on the work being done. Please plan on a little extra travel time for the next couple of months.

Updates will be posted on the Town's website [www.HinsdaleMass.com](http://www.HinsdaleMass.com).

This schedule is posted on the Highway Department website-page at <https://www.hinsdalemass.com/highway-department>.

Annual Town Meeting  
June 24, 2020  
Kittredge School  
Maple Street, Hinsdale  
7:00 p.m.
