Lake Management Comm. Minutes / Nov. 13, 2018 at 5:00pm

Community Room, 39 South St, Hinsdale, MA

posted 9:03pm 5/14/2019

Members Present: Jodi Ouimette, Andy Hagadorn, Duane Bruce, Greg Tremblay

Members Absent: Larry Turner, Nancy Smith, Rick Koch

Visitors: Mike Frederick/Peru ConCom Chair

The meeting was called to order at 5:00 P.M.

Status of proposed lake treatment permits for Plunkett & Ashmere Lake

Further discussed the need to facilitate the extension of lake treatment permits that expire in February 2019. LMC has coordinated with both Peru and Hinsdale ConCom for Ashmere. Mike Frederick (Chair for Peru ConCom) attended this LMC meeting and discussed planning the joint Peru/Hinsdale ConCom meeting for December. This meeting will occur on December 11, 2018 at 6:00pm at the Hinsdale town offices.

Also discussed renewing permits for Plunkett drawdown and dredging of the sediment pond. An emergency drawdown permit was issued for Plunkett to protect the dam overflow and personal property.

LMC Membership

A few LMC members have resigned the committee and we need to backfill those seats. Paul McMahon had indicated that he would like to be considered for appointment to the LMC. At the committee's invitation, Paul had been invited to attend this meeting. His name will be presented by recommendation of the LMC to the Board of Selectmen for appointment to the LMC. We will need to fill two other seats for 2019.

With no additional comments a motion was made and seconded and the meeting was adjourned at 6:00 P.M.

Respectfully submitted,

Greg Tremblay, LMC Secretary
